

and the Barber family

Thank you for your loyalty and patronage!

To our loyal friends and patrons:

My family has made the difficult decision to close our store.

To survive, small business owners need to make hard decisions, and the common direction is consolidation. That is the plan as my other store, Fieldstone Quick Stop, is only 3/4 of a mile away.

Emotionally, this has been very difficult, but, as a business decision, it's our only option. My family is extremely proud of the business we have operated at The Market & Deli over the last 17 years.

Over the last three years our business has seen large declines in sales and profits due to the increased competition in South China along with hard economic times. This is a sad week for us, but it's time to look back and remember all of the great years this store has had.

PIZZA HEAVEN, (23 years in business) IS MOVING TO FIELDSTONE!

We will continue to offer the area's finest pizzas and calzones! Look for a copy of our new menu in an upcoming issue of The Town Line newspaper of which we have strongly supported since it was started.

I will be breaking ground soon on a 2,000-square-foot addition to Fieldstone. We will add a better variety of products and expanding on the pizza.

We also want to wish a heartfelt thank you to the finest group of employees around, and to all of the employees who have ever worked for us. You have all been a part of something special and couldn't have done it without you. You will now see many of the employees from the Market & Deli at Fieldstone, including one who has been with us since the Market's first day, Shirley Williams. Along with Shirley, several others will now be working at Fieldstone.

We have always tried to cater to our customers and will continue to do that at Fieldstone!

The Barber family and all of its employees wish all of you a Happy New Year!

Thank you so much for all of the years of loyalty and support.
