

Warrant articles need to be turned in

ALBION—The Albion Selectmen are requesting that anyone who has articles or requests for the annual town meeting warrant please turn them in to the selectmen prior to their next regular meeting, Wednesday, February 8, 6 p.m., in the Besse Building.

The Albion Budget Committee will meet Monday, February 13, 6:30 p.m., to work on the annual budget for 2012.

Anyone who has taken out papers or wants to take out papers for elected town positions this year, including selectman, assessor, overseer of the poor, road commissioner and SAD 49

school board member, must return the proper paper work to the town clerk no later than February 10.

This year's annual town meeting will be 10 a.m., Saturday, March 17, in the Albion Elementary School gymnasium. Elections will be held at the Besse Building on Friday, March 16, 12 - 7 p.m.

The selectmen recently appointed Carl Pease, of Windsor, as the new administrative assistant to the selectmen. Dave Huff has been appointed as the new animal control officer due to the resignation of Mike Spaulding the prior ACO. Dave

Rotary gift helps homebound seniors

Waterville Rotary Club President Don Plourde, presented a \$10,000 check to Gerry Queally, CEO and Denver Brown, Nutrition Director at Spectrum Generations. The donation, which was presented at the Rotary Club's weekly meeting, will support the agency's Meal On Wheels and We Sustain Maine programs.

Spectrum Generations is one of only two organizations in Maine to prepare and cook its own food for Meals On Wheels. Nearly 300,000 meals are prepared and delivered annually, mostly by volunteers, to homebound seniors and disabled adults living in six Central Maine counties as well as the towns of Brunswick and Harpswell.

In the fall of 2011, Spectrum Generations launched its award winning program, We Sustain Maine, with grant support from the Meals On Wheels Association of America and Walmart Foundation. We Sustain Maine aims to end senior hunger in less than a decade while also providing fresh fruit, vegetables, poultry, beef, and dairy products locally grown in Maine.

Spectrum Generations and its Muskie Center in Waterville were selected as the beneficiary of the Waterville Rotary Club's 47th annual Radio Auction. The \$10,000 gift will help fund renovations to the Muskie Center's kitchen to expand and improve Meals On Wheels and We Sustain Maine food preparation for the region.

For more information about Meals On Wheels and We Sustain Maine programs, or to make a donation, contact Spectrum Generations at 1-800-639-1553 or www.spectrumgenerations.org.
